Support for NinjaBoard

Posted by ludder - 2010/02/23 15:57

Hello,

Is it possible for JMS to support Ninjaboard?

Free download of this component is available from http://ninjaforge.com/index.php?option=com_ninjacentral&page=show_package&id=70&Itemid=245.

Thanks!

Tom

We will review it and if OK, we will add it in the next release
