YOOaccordion or as alternative: MooFAQ

Posted by king.lui - 2010/04/10 23:09

Hi.

What about Yootools? I will need YOOaccordion for a faq page.
An alternative extensions can MooFAQ be.

What do you think?

Tanks and cheers

As you could read in the Patch Definition 1.2.29, the Yootools modules are now defined in JMS.
http://www.jms2win.com/faq/patches-definition-v12x

We will update the "list of extension" soon to included the latest extension added recently.
