I am using following version: Version 1.3.13 - FULL Patches definition Version 1.3.10 Now I want to upgrade JMS version. Please let me know after uninstalling the patches what to do next. What steps I should follow next? Thanks Davinder Re: How to upgrade JMS Version? Posted by edwin2win - 2013/07/15 16:45

Just install the latest JMS 1.3.x over the current one.
