Fatal error: Class 'MultisitesController' notfound

Posted by jsohler - 2009/09/02 06:21

_____

Im getting this error when i uninstall the jms component.

Fatal error: Class 'MultisitesController' not found in /home/foodtabs/public_html/administrator/components/com_multisites/patches/joomla/check_jms_vers.php on line 37

Joomla Multi Sites version: 1.2.0 RC4
Joomla 1.5.11

Please Help

I need to upgrade the jms

Thanks,

==========
