Edwin has the patience of a saint!

Posted by kestertonm - 2009/06/24 05:44

I had lots of problems installing this component. ALL OF THEM MY FAULT. Edwin showed incredible patience with many detailed emails to assist me. It turned out that my ISP's implemntation was mostly to blame but Edwin never gave up on me. By far the best support ever provided by and Joomla developer.

Thanks Edwin!
