# Select multiple sites at a time.

Posted by chetanmadaan - 2012/07/06 21:45

_____

On backend site manager. i see checkboxes at the top but radio buttons at the bottom.

Is there a way to select multiple sites at a time or delete multiple sites at a time.

==========

_____

No we didn't implemented the multiple delete.

Today, you need to review and confirm each sites deletion
