How many slave sites can you have? Posted by power2nc - 2009/10/08 22:58
I know it depends on the set up Lets say the set up with the most possibilities.
How many slave sites can you have off one master?
Re:How many slave sites can you have? Posted by edwin2win - 2009/10/09 00:04
Unlimited. We have a customer that have more than 1000 (thousand) slave sites. We have not defined any limits in JMS.
