JMS, multisite for joomla - Joomla Multiple Sites and user sharing Generated: 3 November, 2025, 15:01

| Sub directories? Posted by aclhkaclhk - 2010/08/20 11:12 |
|---|
| I am a newbie to JMS. |
| could we use subdirectories for each site? |
| eg. www.abc.com/site1 www.abc.com/site2 www.abc.com/site3 www.abc.com/site4 |
| instead of site1.abc.com, site2.abc.com? |
