Pre Purchase Question- Compatibility with Fabrik?

Posted by skr - 2011/07/25 20:28

Hi,

Is JMS compatible with Fabrik ?

If so is there anything that I will need to know before installing JMS?

My sites heavily use fabrik so I don't want to disturb the setup if its not compatible with JMS

THanks

YES, you can install Fabrik.
See the list of extension that are currently defined for the JMS tools menu.
