Additional Multisites Article Sharing Problem

Posted by thirdhatch - 2012/05/09 01:19

_____

Joomla 2.5.4

I am getting an error 500 - Layout default_links not found when I try to click on the read more links on this page or any article on this site shared through Multisites Article Sharing component: http://www.tuffyeastcolonial.com/auto-safety-blog.html
