Having one last attempt then will demand refund

Posted by piprees - 2012/01/15 00:52

Ive decided to make one last attempt to get multisites to work.

If after following your video tutorials i still cant get it to work ill be requesting a refund and looking for alternatives.

Your refund policy means nothing under commercial law.

Have tried to get your software to work - its far to complicated.

Id like a refund.
