AceSEF VS sh404sef

Posted by power2nc - 2009/10/28 00:05

Ether more compatible or have that much more function then the other? ANYONE?

Thanks,

We have just defined both extension and do not want to give recommendation on which is the best.
See list of extensions defined for the JMS tools.
http://www.jms2win.com/component/content/article/135

The AceSEF is just added in jms and the list does not include it.
See release note
http://www.jms2win.com/faq/change-history-v12x
