Hi there,

My JMS tools menu gone after upgrade to Version 1.1.24 Patches definition Version 1.1.11.

And when at the JMS Setting, it display"

 "Forbidden Billable websites
Website count: 0
Buy quota
Website quota: 0"

Any idea what is going on??

thanks.

_____

In JMS 1.1.x, there is NO JMS Tools.
JMS Tools is only present in JMS 1.2.x
