JMS, multisite for joomla - Joomla Multiple Sites and user sharing

This has since been done.

Generated: 1 January, 2026, 17:03 Support for NinjaBoard Posted by ludder - 2010/02/23 15:57 Hello, Is it possible for JMS to support Ninjaboard? Free download of this component is available from http://ninjaforge.com/index.php?option=com_ninjacentral&page=show_package&id=70&Itemid=245. Thanks! Tom ______ Re: Support for NinjaBoard Posted by edwin2win - 2010/02/24 00:22 We will review it and if OK, we will add it in the next release Re: Support for NinjaBoard Posted by ludder - 2010/03/03 15:20 Thank you!
