iJoomla Surveys
Posted by king.lui - 2010/04/02 17:37

Hi. Is iJoomla Surveys compatible with JMS?
Thx and cheers...

I don't know.
Send us this extension in attachement of an email.
See contact us for the email.
We will review it.

All we can tell you is that we alreaddy defined a "iJoomla Ad Agency'.
So perhaps this is possible to do the same with this extension.
We can not tell you until we have reviewed it.

I will use BreezeForms instead.
Thanks and cheers..
