Posted by edwin2win - 2010/04/02 22:35 I don't know. Send us this extension in attachement of an email. See contact us for the email. We will review it. All we can tell you is that we alreaddy defined a "iJoomla Ad Agency'. So perhaps this is possible to do the same with this extension. We can not tell you until we have reviewed it. Thanks and cheers..
