iJoomla Surveys Posted by king.lui - 2010/04/02 17:37

Hi. Is iJoomla Surveys compatible with JMS? Thx and cheers...

Re: iJoomla Surveys Posted by edwin2win - 2010/04/02 22:35

I don't know. Send us this extension in attachement of an email. See contact us for the email. We will review it.

All we can tell you is that we alreaddy defined a "iJoomla Ad Agency'. So perhaps this is possible to do the same with this extension. We can not tell you until we have reviewed it.
