JMS, multisite for joomla - Joomla Multiple Sites and user sharing

Hello, did anything happen with this?

We're also interested in running MageBridge and JMS together.

Generated: 17 September, 2025, 00:18 Magebridge Posted by stevejacobs - 2011/01/10 16:48 Hi Does anyone have experience in setting up Magebridge (connector between Joomla and Magento e-commerce in the JMS Multisites environment? Should it work? **Thanks** Steve Jacobs Re: Magebridge Posted by edwin2win - 2011/01/10 21:28 Would you please send us this extension in the attachement of an email for review. You can find our email in the contact us http://www.jms2win.com/en/contact Re: Magebridge Posted by roselius - 2011/05/18 18:42
