Techjoomla Invitex Not Working Posted by rguillory - 2011/03/18 15:54	ng
I have Techjoomla's Invitex, Is there a patch for this?	
Re: Techjoomla Invitex Not W Posted by edwin2win - 2011/03/19 11:15	orking
	JMS Tool menu, you can always install the extension for the ethod that was used before that we created the JMS Tool menu
As you send us the extension in an emai	I, we will review it and add its definition in a next release.
