

About AceACL compatibility

Posted by VDmitry - 2012/01/08 23:34

Hi, what's about AceACL compatibility?

=====

Re: About AceACL compatibility

We don't know yet this extension.

Please send us this extension in the attachment of an email for review.

If this is possible, we will add its definition in a next release of JMS.

See "contact us" for the email.
