

I am waiting reply on AlphaUserPoints

Posted by alforau - 2012/02/18 14:42

Wish to ear some news from you

I am stuck on this issue

as I cannot continue to work

relying on my temporary doubtful and probably wrong patch of AUP ext.

See reply in

<http://www.jms2win.com/en/forum/25-extensions-compatibility/9234-alphauserpoints-extension-compatibility-error?limit=6&start=6#9361>

and please report the bug to Alpha User Point with the fix that must implement in their package.
