Backend error
Posted by richardfv - 2012/05/14 17:02

_____

I dont know how this happened but now whenever i click on multisite manager site i got this error

Fatal error: Call to a member function getErrorNum() on a non-object in /home/xxxsite/public_html/administrator/components/com_multisites/libraries/joomla/jms2winfactory.php

_____

Can you tell us the joomla version and JMS version.
Do you also have a line number ?

_____

With Joomla 2.5.4, I recommend you to get the latest JMS version 1.2.87

See the FAQ for the procedure.
http://www.jms2win.com/en/faq/faq-joomla-multi-sites#cat-122
