Hi,

1. Do you speak French? Can you proceed support and training in French ?
2. Will JMS Multisites be compatible with Jomsocial 2.8 ? (Jomsocial 2.8b2 is already released)

Thanks

Xav

- 1) Yes I speak french
  - 2) I didn't received Joomla 2.8 for review yet.  
The latest that we reviewed is the 2.6.2  
I suppose yes.  
You want to be sure, you can send us a copy in the attachement of an email.
