Hi,

1. Do you speak French? Can you proceed support and training in French?

2. Will JMS Multisites be compatible with Jomsocial 2.8? (Jomsocial 2.8b2 is already released)

Thanks

Xav

1) Yes I speak french
2) I didn't received Joomla 2.8 for review yet.
The latest that we reviewed is the 2.6.2
I suppose yes.
