Demo online ?

Posted by VietPublic - 2013/11/14 16:54

Can you give me a link demo (Read only admin/members) online with joomla 3.x or 2.5 please !

Sorry but we don't have demo website because this require that we have to provide a Super User to access JMS.

See our tutorial video that shows some sample of usage to help user in the configuration.
