Many of the help links do not work

Posted by mancer - 2013/05/11 04:51

---

running version 1.3.10 - FULL

Clicking on the help button in many parts of the JMS extension give 404 errors

Templates > ERROR
Check Patches > ERROR
Maintenance > ERROR
Check for Updates > ERROR

Thank you for this reporting.

I have added some help content in www.jms2win.com to avoid these errors.
