| Not Able to view TUTORIALS. Posted by Nica521 - 2009/02/01 02:59 |

| Hi, |
| Is anyone having problems viewing the flash tutorials? |
| For me, the visual freezes, audio continues and browser ultimately crashes. I have upgrade my flash to the current player and tried to view this in IE7, Google Chrome, Firefox, and Safari. |
| Cheers |
